📍 Shahbagh, Dhaka, Bangladesh

EDUCATION

• **Khulna University of Engineering & Technology**	*February 2020 - March 2025*
BSc. in Computer Science and Engneering	Khulna 9203, Bangladesh
◦ GPA: 3.70/4.00	

ACHIEVEMENTS

Ranked 5th - PSTU IT Carnival Programming Contest 2024	**November 2024**	🌐
Ranked 35th - Khulna Regional Inter University Programming Contest 2024	**November 2024**	🌐
Ranked 59th - UIU Inter-University Programming Contest 2025	**January 2025**	🌐
Ranked 170th - ICPC Dhaka Regional 2024 - DIU	**January 2025**	🌐
1st Runners-Up (PHP Stack) - Learnathon 3.0, Geeky Solutions & Brain Station 23	**May 2025**	🌐
Selected as one of the Top Team - BitFest KUET Datathon 2025	**January 2025**	🌐
Specialist - Codeforces (Max Rating: 1501)		🌐
3 Star - CodeChef (Max Rating: 1766, Country Rank: 294, Global Rank: 7278)		🌐

EXPERIENCE

Ostad - Teaching Assistant (Remote) - Coding Interview Preparation	**January 2025 - Present**	🔗

SKILLS

- **Programming Languages:** C, C++, Python, Java, Swift
- **Web Technologies:** HTML, CSS, Bootstrap, React, PHP, Laravel
- **App Development & Frameworks:** Java, XML, Swift, SwiftUI
- **Database Systems:** Firebase, Oracle, MySQL
- **Data Science & Machine Learning:** TensorFlow, Scikit-learn, Pandas, NumPy, Matplotlib, PyTorch
- **DevOps & Version Control:** Git, Docker, GitHub Actions
- **Tools & Technologies:** VS Code, Android Studio, XCode, Figma, Postman

PROJECTS

BanglaHire - Freelancing platform for Bangladesh   **Jan 2024 - May 2024** 🔗 🔗
A Next.js + Laravel-based freelancing platform tailored for Bangladeshi users. Features include secure auth, project bidding, real-time messaging, escrow payments (SSLCommerz & Stripe), and an admin dashboard. Deployed with Docker and monitored via SonarCloud.

Foodier - Dual iOS app for food management   **Sep 2023 - Jan 2024** 🔗
A SwiftUI-based app with a dynamic HomeView for personalized restaurant exploration and a Firebase Firestore-powered order queue, improving processing speed by 50%.

KUET-BANK - Android banking application   **Sep 2022 - Jan 2023** 🔗
Features secure login with OTP, real-time transactions, and a loan/EMI system for seamless financial operations.

KUET-BANK - Web-based banking system   **Feb 2023 - Feb 2024** 🔗
Provides secure customer login, real-time transactions, an employee dashboard, and an admin panel for analytics.

EXTRA CURRICULAR ACTIVITIES

General Member - SGIPC   🔗
Enhanced problem-solving and teamwork through competitive programming discussions.

Event Organizer - BitFest 2025   🔗
Organized the Inter-University Programming Contest (IUPC) and managed event logistics.
